SLIDING DOORS

Crafted with long-lasting rollers, our sliding doors glide smoothly. They are pre-glazed with toughened safety glass and designed to be weather- and dust-proof.

Choose from the SUPERIOR (60mm stile) or STANDARD (28mm stile) range. All doors come with secure, lockable handles. A night latch for added security is included with the STANDARD range and can be fitted to the SUPERIOR range.

All doors are supplied with secure, lockable handles.

Two-panel sliding doors are universally handed to allow for either left-hand or right-hand opening.

All doors are fitted with toughened safety glass.

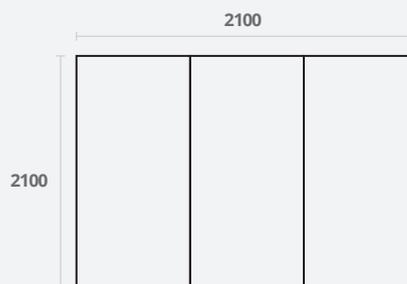

FOLD-A-SLIDING DOORS

Our doors create the widest possible opening, perfectly extending your kitchen, sunroom, lounge, or bedroom into the outdoors. Choose from three to six panels to get the perfect fit for your space.

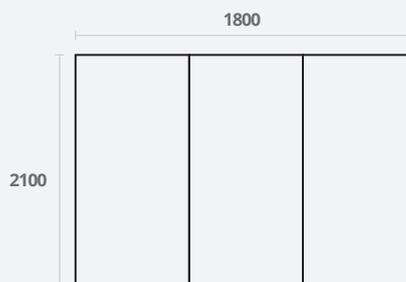

Our Fold-A-Sliding doors are available in 700mm or 600mm door widths. All doors are 2100mm in height; you can have a maximum 4200mm span in our standard range. This door range has been carefully developed to replace old sliding doors.

700 DOOR RANGE

3, 4, 5, and 6-door configurations are available in either left-hand or right-hand opening.

600 DOOR RANGE

3, 4, 5, and 6-door configurations are available in either left-hand or right-hand opening.
